

# Steve Earle - Angry Young Man

Tom: G  
Intro: C G C Em7 C D G

Got a lot of memories tied up in this place  
So much time spent in so little space  
What looked like the world through the eyes of a child  
Kind of closes in on you after a while  
It's a place to grow up and a place to grow old  
You keep your mouth shut and do as your told  
I told mama the day that I ran  
This ain't no place for an angry young man  
(Repeat chords for all verses)

Chorus  
Mama if you could see me right now  
You'd be sure you failed me some how  
Mama you never could understand  
This ain't no place for an angry young man

C G D G

A cheap hotel a long way from my home

So many people make you feel so alone  
Dreams die easy out here on the streets  
And hearts grow cold in the city heat  
I ain't never been the patient kind  
I got to live like I please or die trying  
At a filling station with a gun in my hand  
The only way for an angry young man  
(Repeat Chorus)  
Got a lot of memories tied up in this place  
Tonight they're staring me right in the face  
A lonely grave on the outskirts of town  
It's three in the morning and no ones around  
Just like a ghost I come out of the night  
But I'll be gone by the morning light  
Mama I hope you understand  
This ain't no place for an angry young man

Repeat chorus
