

Steve Earle - I Don't Want To Lose You Yet

Tom: G

G D G
Baby it's a cold hard world out there
G D G
Broken hearted people everywhere
Em Bm
Takin' whatever love they get
C D
I don't wanna wind up like that so

G Em
Baby throw your arms around my neck
C
Lay your pretty head against my chest
D
Listen to one heartbeat then the next
G Em Am D
Baby I don't wanna lose you yet

G D G
You know I love you and I know you love me
G D G
It's everything that love's supposed to be
Em Bm
But I don't wanna look up one day
C D
And find out we let it slip away

Repeat chorus

Lead: G Em C D G

Bridge:

Em G
I can't tell you nothin' bout love I guess
C G
That you don't already know
Em Bm
But girl, when you're in my arms like this
C D
I don't ever wanna let you go

G D G
Baby maybe I'm wrong, but what if I'm right

G D G
And everything's depending on us tonight

Em Bm
Maybe we'll pass this way again

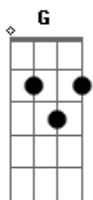

C D
But honey I don't wanna wait til then

Chorus:

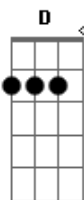

G Em
Baby throw your arms around my neck
C
Lay your pretty head against my chest
D
Listen to one heartbeat then the next
G
Cause baby I don't wanna lose you yet

G Em C D G
Repeat chorus and fade
