

Steven Universo - Don't Cost Nothing

Tom: F

C7M **Dm** **E7**
Bright sunny day don't cost nothing
Am **Bb** **C7**
Light summer breeze don't cost nothing
F **Em** **A7**
What do I do with all this money?
Dm **G7**
When the only thing I want is you

C7M **Dm** **E7**
Palling around don't cost nothing
Am **Bb** **C7**
Singing a song don't cost nothing
F **Em** **A7**
How do I spend all this money?
Dm **G7** **C7M**
I'd rather just spend time with you

Bb7 **C7**
You could buy a house and a car
F7M **Dm**
I guess that I can but I've already got a van
Gm7
I could put you through college
C7
But I'm with the Gems all the time
F7M **F7**
Or I could buy you all the finest courses online
Bb7
What if we took a trip?
Do you think?
C7 **F7M**

Yeah I do! We could take a vacation
A7 **Bb7**
We could go somewhere new

C7M **Dm** **E7**
Tailor-made suits, those cost something
Am **Bb** **C7**
Room with a view, those cost something
F
Dancing with you
Em **A7**
Don't cost nothing
Dm **G7**
Why'd we even come, we could've done this at home
C7M **Dm** **E7**
Singing a song don't cost nothing
Am **Bb** **C7**
Or was it palling around, don't cost nothing
F
Getting it wrong
Em **A7**
Don't cost nothing
Dm
I tried
G7
I'm surprised you remembered any of it
What can I say, it's catchy
C7M
It's over, isn't it?
C7
It's over, isn't it?
F **G** **C7M**
It's over, isn't it...

Acordes
