

Steven Universo - Familiar

Tom: Gb

Familiar, why is this so familiar?
 Familiar, like something I used to know.
 Familiar, staring up at the ceiling.
 Familiar, I swear that I know this feeling
 Where everybody wants me to be mom. (Wants me to be mom)
 And everything I do I do it wrong. (I do it wrong)
 I sway them with a joke or with a song. (Or with a song)
 And maybe that'll help us get along.
 Familiar, why is this so familiar?
 Familiar, like something I used to do
 Familiar, she used to throw a tantrum
 Insisting 'But Hey, I'm a Diamond too'.

I bet she drove them crazy all the time.
 They love her but they're leaving her behind.
 With more important places they should be.
 Than hanging out with someone just like me.
 Familiar, that's why it's so familiar.
 Familiar, like someone I used to be.
 Familiar, but this time I've had some practice.
 At helping a struggling family.
 Oh I'll get them all together in one place.
 And once we're all together face to face.
 I'll show them all the error of their ways.
 And stop their spread of terror across space.
