

Steven Universo - Forte de Verdade (strong In The Real Way)

tom:
 Why do you have to look up to her
 Aside from in a literal sense?
 Don't you know that a power that big
 Comes with a bigger expense?
 And can't you see that she's out of control
 And overzealous?
 I'm telling you for your own good
 And not because I'm
 I could show you how to be strong
 In the real way
 And I know that we can be strong
 In the real way
 And I want to inspire you
 I want to be your rock

And when I talk
 It lights a fire in you
 (G Eb Bb D7)
 (G Eb Bb D7)
 (Bb B Eb D7)
 I can show you how to be strong
 In the real way
 And I know that we can be strong
 In the real way
 And I want to inspire you
 I want to be your rock
 And when I talk
 It lights a fire in you
 I want to inspire you
 I want to be your rock
 And when I talk
 It lights a fire in you
