

# Steven Universo - Found

Tom: G

Spinel, come back and save the Earth with me, you can start over there, you can make new friends.

Someday  
 Somewhere  
 Somehow  
 You'll love again  
 You just need to find someone  
 Someday  
 Somewhere  
 Somehow  
 You'll love again

You just need to find

Someone  
 Someone who treats you better  
 Someone who wants you around  
 Someday  
 Somewhere  
 Somehow  
 You're gonna feel found  
 Today  
 Right here  
 Right now  
 I already feel found
