Everybody told me gem stuff's dangerous
 I guess I didn't believe it until now
 Dad always seemed apprehensive
 And now he's really freaking out
 What do I do?
 I don't want that for you

Everybody tells me life is precious
 On the planet Earth
 And that means you
 And I have to protect you
 What if somehow you get hurt?
 What do I do?

I don't want that for you
 Ooh, ooh, ooh, ooh
 What am I going to tell you?
 You're better off not knowing the trouble I'm in
 I don't want you to worry
 About what I've just seen, about where I've just been
 You don't have to be a part of this
 I don't think I want you to be
 You don't need this
 You don't need me
 Ooh, ooh, ooh, ooh
 Ooh, ooh, ooh, ooh
