

Stevie Wonder - As

tom:
 C
 Do do do do woh woh do do do dum do
 C7M C7 F7M C7M C7 F7M
 As around the sun the earth knows she's revolving
 C7M C7 Bb7M
 And the rosebuds know to bloom in early May
 C7M C7
 Just as hate knows love's the cure
 F7M
 You can rest your mind assure
 Am7 Bm E7
 That I'll be loving you always
 (Am7 Am Dm G)
 C7M C7 F7M
 As now can't reveal the mystery of tomorrow
 C7M C7 Bb7M
 But in passing will grow older every day
 C7M C7
 Just as all is born is new
 F7M
 Do know what I say is true
 Am7 Bm E7 Am7 Am Dm G
 That I'll be loving you always
 Am E7 Am D7
 Until the rainbow burns the stars out in the sky (always)
 Until the ocean covers every mountain high (always)
 Until the dolphin flies and parrots live at sea (always)
 Until we dream of life and life becomes a dream
 C7M C7 F7M
 Did you know that true love asks for nothing
 C7M C7 Bb7M
 Her acceptance is the way we pay

C7M C7 F7M
 Did you know that life has given love a guarantee
 C7M C7 Bb7M
 To last through forever and another day
 C7M C7 F7M
 Just as time knew to move on since the beginning
 C7M C7 Bb7M
 And the seasons know exactly when to change
 C7M C7
 Just as kindness knows no shame
 F7M
 Know through all your joy and pain
 Am7 Bm E7 Am7 Am Dm G
 That I'll be loving you always
 C7M C7 F7M
 As today I know I'm living but tomorrow
 C7M C7 Bb7M
 Could make me the past but that I mustn't fear
 C7M C7
 For I'll know deep in my mind
 F7M
 The love of me I've left behind
 Am7 Bm E7 Am7 Am Dm G
 Cause I'll be loving you always
 Am E7 Am D7
 Until the day is night and night becomes the day (always)
 Until the trees and seas just up and fly away (always)
 Until the day that 8x8 is 4 (always)
 Until the day that is the day that are no more
 Did you know that you're loved by somebody?
 Until the day the earth starts turning right to left (always)
 Until the earth just for the sun denies itself
 I'll be loving you forever
 Until dear Mother Nature says her work is through (always)
 Until the day that you are me and I am you (always)
 Until the rainbow burns the stars out in the sky (always)
