Verse 1:

He's a man, with a plan,
Got a counterfeit dollar,
In his hand;
He's Misstra Know-It-All.

Playin' hard, talkin' fast,
Makin' sure that he won't,
Be the last;
He's Misstra Know-It-All.

Makes a deal, with a smile,
Knowin' all the time,
That his lie's a mile;
He's Misstra Know-It-All.

Must be seen, there's no doubt,
There's no doubt,
He's the coolest one,
With the biggest mouth;
He's Misstra Know-It-All.

Chorus 1:

If you tell him he's livin' fast,
He will say what do you know.
If you had my kind of cash,
You'd have more than,
One place to go oh,
Ooh...ooh, Ooh ooh...ooh.

Verse 2:

Any place; he will play,
His only concern,
Is how much you'll pay;
He's Misstra Know-It-All.

If he shakes, on a bet,
He's the kind of dude,
That won't pay his debt;

He's Misstra Know-It-All.

Chorus 2:

When you say that,
He's livin' wrong;
He'll tell you he,
Knows he's livin' right.
And you'd be, a stronger man,
If you took Misstra,
Know-It-All's advice, oh oh.
Ooh...ooh, ooh ooh...ooh....

Verse 3:

He's a man, with a plan,
Got a counterfeit dollar,
In his hand;
He's Misstra Know-It-All.

Take my word, please be-ware,
Of a man that just,
Don't give a care, no;
No;
He's Misstra Know-It-All.
(Look out he's coming);

Interlude:

(n.C)
Dum bum bum ba bum bum,
Dum bum bum ba bum bum,
Bum bum bum bum bum, say;
He's Misstra Know-It-All.

Coda:

Can this line, take his hand,
Take your hat off to,
The man who's got the plan;
He's Misstra Know-It-All.
Every boy take your hand,
To the man that's got the plan;
He's Misstra Know-It-All.
Give a hand, to the man,
That you know he's got the plan;
He's Misstra Know-It-All.

Give a hand, to the man,
 Don't you know darn well,
 He's got the super plan;
 He's Misstra Know-It-All.

Give a hand, to the man,
 Don't you know darn well,
 He's got the super plan;
 He's Misstra Know-It-All.

If we had, less of him,
 Don't you know we'd,
 Have a better land?
 He's Misstra Know-It-All.

Give a hand, to the man,
 Don't you know darn well,
 He's got the super plan;
 He's Misstra Know-It-All.

So give a hand to the man,

Although you've given out,
 As much as you can;
 He's Misstra Know-It-All.

Give a hand, to the man,
 Don't you know darn well,
 He's got the super plan;
 He's Misstra Know-It-All.

Check his sound out,
 He'll tell it all,
 You talk too much,
 You worry me to death;
 He's Misstra Know-It-All.

Give a hand, to the man,
 Don't you know darn well,
 He's got the super plan;
 He's Misstra Know-It-All.
