## Stevie Wonder - I Believe When I Fall In Love

```
Tom: C
Intro: C C7, Fm (x2)
Verse 1:
         С7
                Fm
Shattered dreams, worthless years,
Here am I encased inside a hollow shell.
C C7 Fm
Life be-gan, then was done,
                               Fm
Now I stare into a cold and empty well.
Bridge 1:
   С
The many sounds that meet our ears,
The sights our eyes behold.
    C
Will open up our merging hearts,
And feed our empty souls.
Chorus 1:
                F
I believe when I fall in love,
  С
                      G
With you; it will be for-ever.
G
                 F
I believe when I fall in love,
   С
                       G
With you; it will be for-ever.
Verse 3:
          C7 Fm
    C
With-out des-pair, we will share,
       C
And the joys of caring,
            Fm
Will not be re-placed.
с с7
                   Fm
What has been, must never end;
And with the strength we have,
        Fm
Won't be e-rased.
Bridge 2:
        C
When the truths of love,
Are planted firm;
    F
They won't be hard to find.
      C
And the words of love I speak to you;
Will echo in your mind.
```
