## **Stevie Wonder - Lately**

```
Tom: Gb
                                                               Trying to tell myself I had no reason
                                                                          Db Db Db
   (Db Bbm7 Ebm7 Ab7)
                                                               With your heart
                                                                                                       Rhm7
                                                                Db
Db
                       Bbm7
                                                               Just the other night while you were sleeping
Lately I've had the strangest feeling
                                                               Ebm7
                                                                                                       Ab7
                                                                I vaguely heard you whisper someone's name
Ebm7
                              Ab7
                                                                                                           Fbm7
With no vivid reason here to find
                                                                Ebm
                                                                                Ebm7M
                                                                                                                  Ab7
                                                               But, when I ask you of the thoughts your keeping
Ebm
                                      Ehm7
                   Ebm7M
                                             Ab7
Yet the thought of losing you's been hanging
                                                                        Db Db
                                                                                             Db7
                                                                You just say
                                                                                    'Nothing's changed'
        Db Db Db
Round my mind
                                                                     Gb
                                                               Well, I'm a man of many wishes
                                    Bbm7
Db
Far more frequently you're wearing perfume
                                                                  Gbm
Ebm7
                                                               I hope my premonition misses
                                   Ab7
With you say 'No special place to go'
                                                                Fm7
                Ebm7M
                                   Ebm7
                                                               But what I really feel
                                              Ab7
Ebm
But when I ask, will you be coming back soon?
                                                                  Bb
                                                                                  Bb7
                                                               My eyes won't let me hide
           Db Db
                           Db7
You don't know,
                       never know
    Gb
                                                                        Ebm7 Fm7
                                                                                    Gbm7
                                                                                           Ab7 Db (Bb Bb7)
Well. I'm a man of many wishes
                                                               Cuz they al...ways start to cry
Ebm7 Fm7 Gbm7 Abm7 A7M Bm7 Dbm7 Gb7-
  Gbm
I hope my premonition misses
                                                                Cuz this time could mean goodbye.
