

# Stevie Wonder - My Love

Tom: G

Intro: Gb Bbm B Db7

My love is warmer than a smile  
 My love gives to every needing child  
 If anyone should ask you  
 who's my true love  
 Tell them my love true  
 Is ever letting all their love  
 come through  
 My love sees love with not a face  
 And lives to love through time and space  
 If all of everything about my love  
 Fits to the tune of you  
 Then you can say that you are  
 my love too  
 Let my love shine  
 throughout the world  
 To every mountain top and steeple  
 Let it be felt by every soul  
 'Til love's all o\_\_\_\_ver  
 Let it reach out  
 to every heart  
 To every disenfranchised people  
 'Til it is present and no more  
 Is pain all o\_\_\_\_ver

Our love sees love's the key to peace  
 We'll pray 'til all world wars have ceased  
 Should you or anyone you know enough  
 To say they feel as we  
 Then let our universal song be free  
 Let our love shine  
 throughout the world  
 To every mountain top and steeple  
 Let it be felt by every soul  
 'Til love's all o\_\_\_\_ver
