

## **Stevie Wonder - Sir Duke**

```
tom:
           В
                                 Abm
Music is a world within itself
      G
With a language we all understand
                   Abm
With an equal opportunity
        G
For all to sing, dance and clap their hands
       F7
              Eb7
                     D7
                            Db7
Just because a record has a groove
     D7 Eb7
                  E7
Don't make it hit the groove
                                     D7
           F7
                      Eb7
But you can tell by the dance that let's you in
        D7 Eb7 E7 F7 Gb7
When the people start to move
They can feel it all over
They can feel it all over, people
                    Fm
They can feel it all over
                   Dbm
                          Gb7
They can feel it all over, people
                     Abm
Music knows it is and always will
```

```
Be one of the things that life just won't quit
                            Abm
But here are some of music's pioneers
               G
                                   Gb
That time will not allow us to forget, no
             E7
                   Eb7
                           D7 Db7
For there's Basie, Miller, Satchmo
D7 Eb7 E7
And the king of all, Sir Duke
           E7
                    Eb7
And with a voice like Ella's ringing out
          D7 Eb7 E7 F7 Gb7
There's no way the band can lose
You can feel it all over
                    Dbm
                           G<sub>b</sub>7
You can feel it all over, people
You can feel it all over
                    Dbm
You can feel it all over, people
You can feel it all over
                    Dbm
You can feel it all over, people
Can't you feel it all over?
                   Dbm
Everybody all over, people
```

## **Acordes**
