

Sticky Fingers - How To Fly

Tom: **B**

Dbm7 Abm7 B7 Gb

I take the brakes off
And I ride
And then the day starts, Oh yeah yeah yeah
Oh to get high
I chase the devil
Oh yeah yeah yeah yeah
In to the sky
Cause hes the one who taught me
How to fly

I forget my name
Cause its so insane
C|-c-c-cocaine
Oh I forget my name
Oh I forget my name, oh cause its so insane
C|-c-c-cocaine
I'll forget my

I take the brakes off
And ride
Oh then the day starts
Oh yeah yeah yeah
To get high

Oh I forget my name
Cause its all the same
C|-c-c-cocaine
I forget my name
Oh I forget my name
Cause its all the same
C|-c-c-cocaine
I forget my name

See
I drink the venom to release the pain
Chain smoking
I suffocate
Cause we be rebels
The beast untamed
Sticky fingers
Don't forget the name
Cause its all the same

C|-c-c-cocaine
I forget my name
I forget my name
Cause its all the same
C|-c-c-cocaine
Oh I forget my name
Oh I forget my name
