

# Sticky Fingers - How To Fly

Tom: B

**Dbm7 Abm7 B7 Gb**

I take the brakes off  
 And I ride  
 And then the day starts, Oh yeah yeah yeah  
 Oh to get high  
 I chase the devil  
 Oh yeah yeah yeah yeah  
 In to the sky  
 Cause hes the one who taught me  
 How to fly

I forget my name  
 Cause its so insane  
 C|-c-c-cocaine  
 Oh I forget my name  
 Oh I forget my name, oh cause its so insane  
 C|-c-c-cocaine  
 I'll forget my

I take the brakes off  
 And ride  
 Oh then the day starts  
 Oh yeah yeah yeah  
 To get high

Oh I forget my name  
 Cause its all the same  
 C|-c-c-cocaine  
 I forget my name  
 Oh I forget my name  
 Cause its all the same  
 C|-c-c-cocaine  
 I forget my name

See  
 I drink the venom to release the pain  
 Chain smoking  
 I suffocate  
 Cause we be rebels  
 The beast untamed  
 Sticky fingers  
 Don't forget the name  
 Cause its all the same

C|-c-c-cocaine  
 I forget my name  
 I forget my name  
 Cause its all the same  
 C|-c-c-cocaine  
 Oh I forget my name  
 Oh I forget my name

## Acordes
