

Sticky Fingers - Liquorlip Loaded Gun

Tom: A

Verse:

A E
I wish I could disappear
A E
So you would never see me in this mess I get in
A Abm E
However hard I try, keep on stumbling still
D E
Once in a while I'll show you who I am
Where I can

Chorus:

D Gbm E
Open up the oceans, jump on in
The masters of the coastlines beckoning
Unfold my only life vest, sink or swim
Through the everlasting worlds begin

Verse:

D
In the night I went out searching
Gbm E
It took me three years and a girl
D
We was blinded by the stars that hit
Gbm E
Our gentle little world
D
The rocks turned into water

Gbm E
And what was clear became a blur
D
We was good but the bad got worse
Gbm E
The sinking ship began to burn
D
So I shook across her mountain face
Gbm E
Cause I'm a liquorlip loaded gun
D
Look and talk through eyes that sting
Gbm E
And then a stranger sung to me

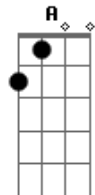

Chorus:

D Gbm E
Open up the oceans, jump on in
The masters of the coastlines beckoning
Unfold my only life vest, sink or swim
Through the everlasting worlds begin

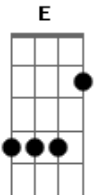

Bridge: (Mesmos acordes do refrão)

Standing on my haido
Tangled up in a blue
Rambling cut my front tooth
Another buster knuckle bruise
Not a shining golden airplane
Gifted full of booze
Even flying at the speed of light
Reached high enough for you
