Even though I only see you on the TV screen  
With all those boys, and your toys, And your pleased scream  
I'll easy spend up all this loving for my dream girl  
I don't want to share

And even when its wild,

I'll be thinking about you, babe

[Chorus]

I'm in love with that girl on page 16  
Centrefold in that old paper magazine  
Even when under these circumstances  
Her curves don't compare

When I'm lying in her arms  
I'll be thinking bout you

When your with that other guy  
I hope your thinking bout me

Cause I'm thinking about you, babe.
