

# Sticky Fingers - We Can Make The World Glow

tom:

Intro: **Bbm** **Ab** **Gb**  
**Bbm** **Ab** **Gb**

Oh, lord  
**Bbm** **Ab**  
Lover, it feels like  
**Gb**  
I can't break through this wall no more  
**Bbm** **Ab**  
Love dielectric sometimes  
**Gb**  
We gotta take it slow now  
**Bbm** **Ab**  
White doves and ashes  
**Gb**  
For the ones we love who set sail  
**Bbm** **Ab** **Gb**  
Into the space of the unknown

**Bbm** **Ab**  
I'm out my coma, top tem  
**Gb**  
Living life in ecstasy  
Bouncing off your gravity  
**Bbm** **Ab**  
We're dripping down the cracked wall

And we can cook a recipe  
**Gb**  
Run amok in cavalry

**Bbm** **Ab**  
We're breaking out my energen

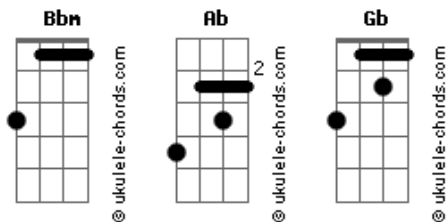

'Cause suits me like a moccasin  
**Gb**  
Fixing up the batt?rbrix  
**Bbm** **Ab**  
So we can make the world glow

Living lif? in ecstasy  
**Gb**  
Bouncing off your gravity

Gravity, gravity  
**Bbm** **Ab** **Gb**  
Gravity, gravity, gravity

**Bbm**  
Why do we hold back  
**Ab** **Gb**  
When we're holding onto loved ones?  
**Bbm**  
Couldn't figure out  
**Ab**

## Acordes

This maze I was in  
**Gb**  
I gotta find the way now  
**Bbm**  
Slide off in daffodils  
**Ab** **Gb**  
I'm falling into heaven  
**Bbm** **Ab** **Gb**  
Into this space, we 'ready know

**Bbm**  
So how am I gonna be awake  
**Ab** **Gb**  
When we're coming through?  
**Bbm**  
My life, my sun is spinning  
**Ab** **Gb**  
In when it's looking at you  
**Bbm**  
And what's it gon' ride  
**Ab** **Gb**  
Gon' shake? Oh, I'ma wit chu  
**Bbm**  
So how am I gon' be awake  
**Ab** **Gb**  
Fixing up my broken?

**Bbm** **Ab**  
I'm out my coma, top tem  
**Gb**  
Living life in ecstasy  
Bouncing off your gravity  
**Bbm** **Ab**  
We're dripping down the cracked wall

And we can cook a recipe  
**Gb**  
Run amok in cavalry

**Bbm** **Ab**  
We're breaking out my energen

'Cause suits me like a moccasin  
**Gb**  
Fixing up the batt?rbrix  
**Bbm** **Ab**  
So we can make the world glow

Living lif? in ecstasy  
**Gb**  
Bouncing off your gravity

Gravity, gravity  
**Bbm** **Ab** **Gb**  
Gravity, gravity, gravity

[Final] **Bbm** **Ab** **Gb**
