

# Stiff Little Fingers - Each Dollar A Bullet

Tom: **Bb**

Then... (It's the same for the verses:  
But you've to change the chords)

"Each dollar a bullet" from flags and emblems

**C**

Good lyrics, good voice, good music, great band...

I try to learn guitar on my own and I'm a bit lazy, so it can  
be inaccurate : you can  
some notes if it's sound better  
Listen to the song in order to find the tempo
