

# Stiff Little Fingers - Suspect Device Live

Tom: **A**

Bridge:

this is where he sings 'Inflammable material...'Verse

Then there a werid kinda false chorus where he goes 'Don't believe them, Dont belive I tell you question everything youre toooooooolllldd!' where he does this...

Chorus:

Then it goes back into the verse.This is basically it, its all made up of these 4 riffs. I can't think of the order, I'l and post it later, please rate this!

## Acordes
