

Still Woozy - Goodie Bag

tom: [Intro]

Dm F Bb Gm
Oh what they think about you

(Dm F Bb Gm)

[Refrão]

Dm F Bb Gm
Oh what they think about you

Prepare to leave my body when the time it comes through
Loving on you

'Til the times it comes through
But why you always hate to break bread?

Think about the way that you would feel if never said
Jokes on you

Well it's time to come through

[Primeira Parte]

Dm F Bb Gm
Well if she had to choose
Me or her mom

I know I wouldn't last long, yeah
No problem with the truth

Dm F Bb Gm
But when she made me laugh
Doom doom right to my tomb

Bb Gm
I love that it's not hard to be in a place where laughing's
easy like

Dm F

What the fuck is real

What the fuck is wrong
Bb Gm
I think I can fit with your tone, like

[Refrão]

Dm F Bb Gm
Oh what they think about you

Prepare to leave my body when the time it comes through
Loving on you

'Til the times it comes through
But why you always hate to break bread?

Think about the way that you would feel if never said
Jokes on you

Well it's time to come through

[Post-Refrão]

Dm F Bb Gm
Time to come through
Dm F Bb Gm
Time to come
Dm
Time to come through

[Final]

F
You know I wanna be
Bb Gm
