My only friend, who could it be

It's hard to say it
B7 Em7 Em
I hate to say it, but it's probably me

When your belly's empty and the hunger's so real
And you're too proud to beg and too dumb to steal
You search the city for your only friend
No one would you see

You ask yourself, who could it be
A solitary voice to speak out and set you free
I hate to say it
I hate to say it, but it's probably me

Am7 D
You're not the easiest person I ever got to know
G G Am7 Em D Am7
And it's hard for us both to let our feelings show

You'll only make me cry

If there's one guy, just one guy
Em Em
Who'd lay down his life for you and die

When the world's gone crazy and it makes no sense

And one friendly face is all you need to see
