Tom: C

Afinação: Eb Ab Db Gb Bb

Eb C
I don't know how else to put this
Am
It's taking me so long to do this
F C G
I'm falling asleep and I can't see straight

C
My muscles feel like I may lay
Am
Body is curled in an U shape
F C G
I put up my best, but I'm still afraid

C
Propped up by lies and promises
Am
Saving my place as life forgets
F C G
Maybe it's time I saw the world

C
I'm only here for a while
Am
Patience it's not my style
F G C
And I'm so tired that I gotta go

Am
What am I supposed to want now
F
What am I supposed to do?

C
Did you really think I wouldn't see this through?

Am
Tell me I should stick around for you

F
Tell me I could have it all

C G C
And still I'm too tired to care and I gotta go

C
I get to go home in one week
Am
But I'm leaving home in three weeks
F C
They throw me a bone just to pick me dry

C
I'm following soothing directions
Am
I crawled up inside for protection
F C
I'm told what to do and I don't know why

C
I'm over-existing in limbo
Am
I'm over the myths and placebos
F Am C
I don't really mind if I just fade away

C
I'm ready to live with my family
Am
I'm ready to die in obscurity
F G C
'cause I'm so tired that I gotta go

Am
What am I supposed to want now?

F
What am I supposed to do?

C G
Still don't think I wouldn't see this through?

Am
Tell me I am part of history

F
Tell me I can have it all

C G C
And still I'm too tired to care and I gotta go
