Lyrics

It's ok, it's ok, ok relieve me
 Pins in me, pins in me, in me you kill me
 The lounge fly, the lounge fly, the fly you bring me
 I think I'm free but the dogs they won't release me
 Don't have a nickel or a dollar but you feed me
 My bottle's empty but you always refuel me
 I feel I'm sinking but you won't let me drown me
 I wanna f@(), wanna f@() but do you need me?

I can't give what I take away, and the other understands
 She said she'd be my woman, she said she be my man
 I can't live this way
 Please refill my soul

(verse)

(chorus)

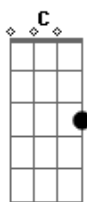

Said she'd be my woman...she said she'd be my woman, said she'd be my man

(solo 1) -Dean takes one of his quirky (awesome) trademark solos...

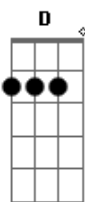

(chorus)

(solo 2) -Butthole Surfer Paul Leary pops in for a little solo in D pentatonic minor
