Letra :

I am, I am, I am
 I said I wanna get next to you
 I said I wanna get close to you
 You wouldn't want me have to
 hurt you too?

I ain't, I ain't, I ain't
 A buyin' into your apathy
 I'm gonna learn ya my philosophy
 You wanna know about atrocity?

I know you want what's on my
 mind
 I know you want what's on my
 mind
 I know it eats you up inside
 I know, you know, you know

I am a man, a man
 I'll give ya somethin' that ya won't
 forget
 I said ya shouldn't have worn that
 dress
 I said ya shouldn't have worn that
 dress

Here I come, I come, I come
