

Straalen - Be Mine Tonight (Radio Edit)

Tom: Bb

(com acordes na forma de G)

Capostrate na 3ª casa

Intro: G D C

[Verse]

It's the way you talk, the way you move

Everybody stops and stares at you

You're beautiful too

You don't even care what you wear

kinda look cute with your messy hair
don't call it cute though

[Pre-Chorus]

Cause you're scared of being alone

at night, you just want someone to hold you tight, thats right

if a dog passes you by, you stop just to say a little hi every
time yeah

and the funny thing you dont realise,

every time you walk by,

everybody looks, everybody sees

baby won't you be mine

[Chorus]

you're my ocean to my sand

you're the stars upon my night sky

you're the wind upon my sail

baby won't you be mine

I don't want any other girl,

we'll do just fine

me and you nobody else

be mine tonight

be mine for all time

be mine tonight

be mine tonight

[Verse]

it's your lips, your big green eyes,

the lift across the eye

it's the little things

you seem to make everything fun

your cheeky little grin when

dancing in the sun

[Pre-Chorus]

cause you're scared of being alone

at night, you just want someone to hold you tight, thats right

if a dog passes you by, you stop just to say a little hi every
time yeah

and the funny thing you don't realise,

every time you walk by,

everybody looks, everybody sees

baby won't you be mine

[Chorus]

you're my ocean to my sand

you're the stars upon my night sky

you're the wind upon my sail

baby won't you be mine

I don't want any other girl,

we'll do just fine

me and you nobody else

be mine tonight

be mine for all time

be mine tonight

be mine tonight

[Verse 2]

babe

you don't see the same girl same girl I see

you don't need to change girl change girl you change me

let's just stop for a minute

and breathe

[Chorus] ~~Tocar somente uma vez pra baixo~~

you're my ocean to my sand

you're the stars upon my night sky

you're the wind upon my sail

baby won't you be mine

tonight
