

Strahan - Hurricane Love

Tom: D

Bm Bm D A

D A Bm

More time, less war
 Look upon the fountain
 Raised sight but a low rapport
 Beat against the mountain
 One life, one score
 Running for the prize with my eyes on the heavenly host
 My soul beats hard and the sun beats on

Bm Bm D A

D A Bm

This path draws blood
 Breaks a man in two mends a heart then pushes him on
 Drink deep sweat love
 Following the man born again with a hurricane love

G D A Bm

G D A
 And I know this is my ticket for a fool to become the divine
 When you are mine and I am yours
 And it ain't brought like a bread train
 Take it from the fruit that the vine's what he says
 But if you drink now then the wine is yours

Bm D A

D A Bm

Gale winds, still voice

Reading like a palm every word of the heavenly joy
 Dig deep, press on
 You take the kind of man
 That I am and you give him it all

G D A Bm

G D A
 And I know this is yours
 Hanging from the tree in the eye of the storm
 But if you die now then I am whole
 And life pours out from a great pain
 So let lazarus rise for your glory and fame
 But if you drink now then the wine is yours

Break me, shake me
 I need you to be my anchor in the calm
 Cause I stray far when the pressure's off

 And I know this is my ticket for a fool to become the divine
 When you are mine and I am yours
