

# Stratovarius - Celestial Dream

Tom: C

Afinação: Eb Ab Db Gb Bb

Eb Intro: Em C7M

Primeiro Verso:

Em C7M  
Here in the universe, I find some things that are so hard to understand.

Em C7M  
The vastness of space just takes my breath away, I see through history.

F Am  
The years they come and go. The seconds that will shape my destiny.

F G  
The time that we spend here. Is precious, that I see so clear.

( Em C7M )

Segundo Verso:

Em C7M ( C )

Em  
What is our place in here? What is the meaning of the pain that we feel?

C7M  
Where did all this come from? The galaxies, the moon the stars, oh I don't know.

F Am  
I really want to know what is the meaning of evolution.

F G  
They say that we are the crown of all creation.

Refrão:

C Am  
So lets break free from these chains. Of fear, hate and greed.

Dm G  
And join together singing our celestial dream.

C Am  
Freedom is awaiting. For those who take the path less traveled.

Dm G  
And in the end we'll all sing our celestial dream.
