

Strawfoot - Damnation Way

Tom: G

m [Intro] Gm F Gm

Gm F
The Lord, he shunned me

Yeah this angel fell
Doesn't want me in heaven
Won't send me to hell
Did he think I'd stay here
Well I'm gonna be blunt
He can keep his eternity
'Cause that dog won't hunt

F Gm
My prayers won't be answered
Salvation is gone
I'm left in the darkness
There won't be no dawn

Gm F
This wicked man gets a wicked wrath
The sinners always pay
Left to walk that wicked path

Called damnation way

Gm F
This wicked man gets a wicked wrath

The sinners always pay
Left to walk that wicked path
Called damnation way

Gm F
Lord don't be surprised
Tell me what d'you think?
You lead me to water
Now watch me take a drink
There ain't nothing stopping me
I've been dead before
Last time for just one sin
Now you'll see a whole lot more

F Gm
You made me what I am
You filled me with hay
You put me on this dusty road
It's called damnation way
