

Stray Cats - Ubangi Stomp

tom:
Am

Well I ^{Am}rocked over Italy

And I rocked over Spain

Rocked in Memphis, it was all the same

^{Dm}'Til I rocked to Africa

And rolled off the ship

^{Am}Seen them natives do an odd looking skip

^EParted the weeds and looked over the swamp

^{Am}And I seen them cats doing the Ubangi Stomp

^{Dm}Ubangi stomp, rock and roll

^{Am}Beats any stomp that you ever been told

^EUbangi stomp, Ubangi style

^{Am}When it hits it drives them Ubangis wild

^{Am}Well I looked up the chief he invited me in

He said, "Hey big jam session's

About to begin"

^{Dm}He handed me a tom tom, I picked up the beat

^{Am}That crazy thing send shivers to my feet

^E

I rocked and I rolled, skipped with a smile

^{Am}Gonna Ubangi stomp man, Ubangi style

^{Dm}Ubangi stomp, rock and roll

^{Am}Beats any stomp that you ever been told

^EUbangi stomp, Ubangi style

^{Am}When it hits it drives them Ubangis wild

^{Am}Well I rocked all night and part of the day

Had a good rockin' time

With the chief's daughter May

^{Dm}We were making good time and gettin' to know

^{Am}When the Captain said, "Sorry we gotta go."

^EWell, well that's all right man now

Go right ahead

^{Am}Gonna Ubangi stomp 'till I roll over dead

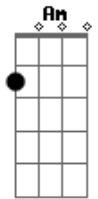

^{Dm}Ubangi stomp, rock and roll

^{Am}Beats any stomp that you ever been told

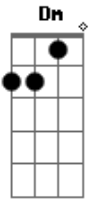

^EUbangi stomp, Ubangi style

^{Am}When it hits it drives them Ubangis wild
