[Segunda Parte]

We'll be dancin'  
 With the shadows in the night  
 The stars are jealous knowing  
 That you're by my side  
 Feel the adrenaline, acceleration  
 In the course, we'll be drivin' so rough  
 Ride like the motions of the ocean  
 High tide in the moonlight  
 One way emotion, satisfaction  
 (skrrt, skrrt) We ain't stopping now
