

# Stu Larsen - By The River

Tom: D

m

By the river, through the summer  
 I waited patiently  
 You had promised, with all your power  
 To come and rescue me  
 To come and set me free

And you were running, through the valley  
 Heading straight for me  
 My mind was shaking, but I was ready  
 For you to rescue me  
 For you to set me free

Hooooo oohhh  
 Hooooo oohhh  
 Hooooo oohhh  
 Heeyyyyy

I found a letter, floating in a bottle

Being washed away to the sea  
 Pinned by freedom, addressed to no one  
 For who now could it be?

Hooooo oohhh  
 Hooooo oohhh  
 Hooooo oohhh  
 Heeyyyyy

I saw a vision, some kind of apparition  
 But it felt so real, so free  
 I had a conversation, a faint of liberation  
 For who now could it be  
 For anyone but me

Hooooo oohhh  
 Hooooo oohhh  
 Hooooo oohhh  
 Heeyyyyy
