

Sublime with Rome - Spun

Tom: G

Intro: G Em Am D

G Em
I'm spun, just like a raisin in the sun
Am D
I'm fried up but the fun has just begun
G Em
And I swear, with all the love inside my head
Am D
I've gotta dish it out and gotta share
C D C
But lately I've been walking this road, searching for an end
D
But I've finally figured out

G Em
Ban me from your company
Am D
And I'll meet you where the sunlight meets the gold
G Em
Oh show me something I've never seen
Am D
And I promise I'll be right there waiting
(G Em Am D)

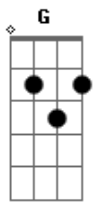

G Em
I'm free, from all the judgment that you put on me
Am D
And I know it grows and I know it dies inside
G Em

I shake, and just so I can get a breath
Am D
Cause if they had it their way they'd push me to my death
C D C
Cause I've been walking this road, searching for an end
D
But I've finally figured out

G Em
Ban me from your company
Am D
And I'll meet you where the sunlight meets the road
G Em
Oh show me something I've never seen
Am D
And I promise I'll be right there waiting

C G
And destroy what we've made this time
C G B C
And watch it grow and die inside
G B C G B C
Oh, we'll watch it grow and we'll watch it die
C
Oh, this time it's for real we'll watch it die
G Em Am D
Ooh ... ooh, and we'll watch it grow and die
G Em Am D
Ooh ... ooh, and we'll watch it grow and die
G Em Am D
Ooh ... ooh, and we'll watch it grow and die
