

# Sublime with Rome - Spun

Tom: G  
Intro: G Em Am D

G Em  
I'm spun, just like a raisin in the sun  
Am D  
I'm fried up but the fun has just begun  
G Em  
And I swear, with all the love inside my head  
Am D  
I've gotta dish it out and gotta share  
C D C  
But lately I've been walking this road, searching for an end  
D  
But I've finally figured out

G Em  
Ban me from your company  
Am D  
And I'll meet you where the sunlight meets the gold  
G Em  
Oh show me something I've never seen  
Am D  
And I promise I'll be right there waiting  
( G Em Am D )

G Em  
I'm free, from all the judgment that you put on me  
Am D  
And I know it grows and I know it dies inside  
G Em

I shake, and just so I can get a breath  
Am D  
Cause if they had it their way they'd push me to my death  
C D C  
Cause I've been walking this road, searching for an end  
D  
But I've finally figured out

G Em  
Ban me from your company  
Am D  
And I'll meet you where the sunlight meets the road  
G Em  
Oh show me something I've never seen  
Am D  
And I promise I'll be right there waiting

C G  
And destroy what we've made this time  
C G B C  
And watch it grow and die inside  
G B C G B C  
Oh, we'll watch it grow and we'll watch it die  
C  
Oh, this time it's for real we'll watch it die  
G Em Am D  
Ooh ... ooh, and we'll watch it grow and die  
G Em Am D  
Ooh ... ooh, and we'll watch it grow and die  
G Em Am D  
Ooh ... ooh, and we'll watch it grow and die
