

Sublime with Rome - Wherever You Go

Tom: C

I wanna be bad with you girl like we're robbing a bank
 I wanna be mad at the world like you took you away
 Don't wanna be mad at myself for my stupid mistakes
 I wanna go back, I wanna be mad, I wanna go back to the days

Just tell me we can
 Just for the weekend
 Go somewhere far, go somewhere nice, yeah
 No time for thinking
 Gone in a blink, yeah
 Just you and I, we'll move it slow

Wherever you go
 I wanna know
 I wanna walk you to the shore
 Break down the walls
 Run through the fire
 Promise me now you'll always stay wild
 Wherever you go oh oh oh
 I wanna know oh ohh
 Don't let me go
 Don't let me wander out your sight
 I'm gonna be mad when I show up and there's somebody there
 Inside of my bed sleeping with you man
 I'll shoot him right there
 I wanna go back to the days when it was all in my head
 I wanna go back, I wanna get mad,
 I wanna go back to the lies

Just tell me we can
 Just for the weekend
 Go somewhere far, go somewhere nice, yeah
 No time for thinking
 Gone in a blink, yeah
 Just you and I, we'll move it slow

Wherever you go,
 I wanna know
 I wanna walk with you to the shore

Break down the walls
 Run through the fire
 Promise me now you'll always stay wild
 Wherever you go oh oh oh
 I wanna know oh ohh
 Don't let me go
 Don't let me wander out your sight, yeah

Ooo-ooo-oohhh
 So let me out your sight
 Ooo-ooo-oohhh
 Searching for you through the night
 Ooo-ooo-oohhh

Don't let me out your sight
 No, no, no
 Wherever you go, oh oh oh
 I wanna know
 Wherever you go, oh oh oh
 I wanna know
 Don't let me go, oh oh oh
 I wanna know
 Wherever you go, oh oh oh
 I wanna know, yeah

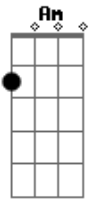

Wherever you go,
 I wanna know
 I wanna walk with you to the shore
 Break down the walls
 Run through the fire
 Promise me now you'll always stay wild
 Wherever you go oh oh oh
 I wanna know oh oh oh
 Don't let me go
 Don't let me wander out your sight, no no

(Wherever you go)
 (Wherever you go, oh ohh)
 (I wanna know)
 (Don't let me wander wander wander)
 (Wherever you go) (I'll always dance)
 (I wanna know)
 Hi hi hi hi hi
