Verse 1

E  
 people listen up don't stand to close  
 i got something that you all should know,  
 all the lies, all the lies they  
 told to me from a little part of history,  
 see i was always taught that boy meets girl  
 fall in love get married and forget the world  
 nine months later sweet babys on the way kiss  
 'em on the cheek and lifes o.k.,  
 E A E A  
 i don't feel no pain i don't have no time  
 E A B C  
 to listen to conflicting points of view.  
 E G B(14th fret)  
 its a crazy world to live alone  
 E G B(14th fret)  
 a ball and chain i call my own.

E G

nanana nana whoo

Verse 2(Basically same as above)

people stand back don't stand top near i've got something that  
 you all  
 should hear holy matrimony not for me rather die alone in  
 misery because  
 marriage doesn't work in the world today it's an institution  
 and it's in  
 decay and if i have love i wish to portray i will surely find  
 another way  
 because i was always taught that boy meets girl... i step into  
 the great  
 unknown a ball and chain i call my own.
