I figured this song out by listening to the acoustic version, which is below.

The original version is much better and has little changes here and ther but it's

technicaly the same.

Intro: horus :

**A**  
**Dbm**

Crazy Fool Crazy Crazy

**Dbm Cm Bm**

Cra -

**A**

Verse is easy , its just :

<b>E</b>	<b>D</b>
7	5
7	5
9	7
9	7
7	5

**A** **E** **D**  
If he thinks he's gonna take you from me, hes gotta be a crazy crazy

**Dbm Dbm Cm Bm A**

The bridge Part after chorus is just:

**A Ab Gb** (played once)

repeat **Gb** with riff at end :

**Gb** (riff1)  
My love for you is oh so strong

**Gb** (riff1)  
WE've been together for oh so long

**Gb** (riff1)  
Now im down in this misery

**Gb F E**

**Gb F E**

Is this this the way loves s'posed to be?

Then back to Verse.
