

Sublime - Lincoln Highway Dub

Tom: C

V possibly most beautiful V
V part of the song V

Tabbed by: Jake Cole

Tuning: standard (eadgbe)

noticed a few errors (mostly typos (missing out a number or writing on the wrong line)) whilst checking this (probably should have checked it before submitting it. hopefully the higher powers (admins) will remove the other one)

Im not gonna pretend its perfect but as far as i know its the only one on the net (or anywhere. i havent even found a tab for sale for this song). numbers in brackets near the beggining are played on the bass but if ur

i put them there)
Intro: (over words):

This lines all done on the bass

back to guitar for some picked chords

Then its just one big guitar solo here on in

lil bit of pause

bit of a bigger pause (with a lil bita drummin)

this run down should hold that bend

| 5b bend from note outside of bracket to note inside
| rb5 reverse bend (start with string bent to note in bracket and come down to note outside bracket)

| / slide up
| \ slide down
| h hammer-on
| p pull-off
| ~ vibrato
| x Mute note
