Verse 2 (mesmos acordes que o verso 1: G A )  
Everyday I wake up just a little bit more feelin'  
like a dog out on the yard because that's just how we are  
Everyday I wonder if it's over when I wake up  
realizin' that we hate and brake down the war  
You say it's black, I don't believe you  
And if you say it's white, you say I'm tryin to deceive you  
and baby you're the winner of the high and the low,  
and I'd be waiting for you in the  
middle but I just lack control.

Chorus

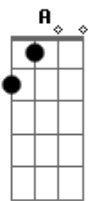

Verse 3:

A G  
Girls don't go crazy [x3]  
A G  
When the men use you. No!  
Dm7 Cm7  
Oh woman hold your man tight  
Dm7 G (pausa)  
If it makes you feel right  
A G A  
It's your own life
