She takes her time when it's time to get ready  
Always have her way  
Always leaves me waitin by the phone  
She told me more than once to take it slow  
And i said ok  
But lately i've been sleeping all alone.

REFRÃO: ( **G** )  
I'm not breakin up inside i'm much too proud to moan.  
( **A** **Bb** **A** )

Ba-by, please come home.

RIFF 1: ( **A** **Gm** )

I feel a little lovin so i try to play it cool  
I think she laughs inside  
With words that burn like fire in my mouth  
Try to be a man like i got the master plan,  
Night on the town  
Oh drinkin, dancin, we can turn it out.  
REFRÃO: ( **G** )  
Wooah  
Maybe it's how your body moves i just don't know.

( **A** **Bb** **A** )

Maybe, it's just the way you move so slow.

RIFF 1: ( **A** **Gm** )

Girl: hello?  
Brad: hi, it's me.  
Girl: i thought i told you not to call me here.  
Brad: i know, i just really needed to talk to you.  
Girl: get a clue babe, there's nothing to talk about...

Ask me why i play myself, play myself for a fool

Swear that i would do most anything  
Hey, huh  
Walk a mile just to, see her smile  
Walk a mile just to, rock for a while  
Babe, i'm thinking with my ding-a-ling

REFRÃO: ( **G** )

Whoa, i've been doin some thinking and i just don't know

( **A** **Bb** **A** )

But sittin at the verge of tears does not become my 22 years,  
Ya took my shame and you took my pride,  
And now you're gonna take me for a slow ride

You got words that burn like fire in my mouth  
Come on down, reggae style, wipe up your body like a bass  
linewild.  
Drinkin, dancin, we can turn it out.  
Whooooooooooooooooo  
REFRÃO: ( **G** )

I'm not goin crazy but i just don't know

( **A** **Bb** **A** )  
Maybe, it's just the way you move so slo-ow
