Lyrics

A Early man walked away as modern man took control  
G D A  
G D A

Their minds weren't all the same and to conquer was their goal  
G D A  
So he built his great empire and he slaughtered his own kind  
G D A  
He died a confused man and he killed himself with his own mind  
Let's go!!

Heavy part after "Let's go!":  
G A G A G A C G

We're only gonna die from our own arrogance  
That's why we might as well take our time
