Lyrics

A Early man walked away as modern man took control
G D A
G D A

Their minds weren't all the same and to conquer was their goal
G D A
So he built his great empire and he slaughtered his own kind
G D A
He died a confused man and he killed himself with his own mind
Let's go!!

Heavy part after "Let's go!":
G A G A G A C G

We're only gonna die from our own arrogance
That's why we might as well take our time
