Sublime - What's Really Goin' Wrong

```
Tom: G

   A
good evening ladies and gentelmen
C
welcome to tonites presentation
      D                          A
its brought to you by us and its non fiction
                    C
everybody saw the last movie we made and
               D     A
this one is called what's really goin wrong
                    G              Gb     E
what is really, what is really goin wrong
        A        G              Gb     E
what is really, what is really goin wrong
 A                                C
saw back in the place livin up to this creation
  D                       A
in 1996 we'll make your body suffication
                    C
this is ok ive been meaning to show to you
        D
its time we made it true but we'll
 A
leave it through and through
 A                G              Gb      E
what is really, what is really goin wrong
 A                G              Gb      E
what is really, what is really goin wrong

go go go   (A C D A ) (2x)

 A                G              Gb      E
what is really, what is really goin wrong
 A                G              Gb      E
what is really, what is really goin wrong

( A C D A ) (2x)

 A                G              Gb      E
what is really, what is really goin wrong
 A                G              Gb      E
what is really, what is really goin wrong

(solo)

 A              G    Gb      E
yeah what is really goin wrong
 A                G              Gb      E
what is really, what is really goin wrong
```
