

Suede - Electricity

tom:

Intro: A G A G A G E

Verse w/rhythm. Fig. 1 three times

We got a love that's as cold as stone

We got a love for a violent home

We got a love that ain't got no name

We kiss all over the lips like pain

Verse w/rythm figure 1 three times

We gotta lot of electricity

We gotta love that ain't got no shame

We kiss all over the lips like pain

E w/rythm Figure 2 twice

Kissing all over the lips like pain

I said Oh its bigger than the universe

Bigger than the universe

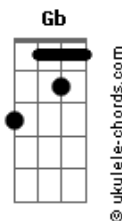

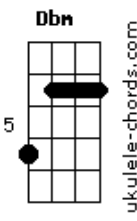

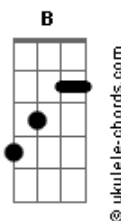

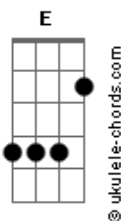

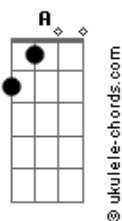

Bigger than the two of us

Oh its bigger than you and me

We got a love between us and its like electricity

(A G)

Acordes

(A G)

We got a love like a violent mind

We got a love for the white, white lies

We got a love that ain't got no name

We kiss all over the lips like pain

Verse w/rhythm fig 1 three time

We got a love from nowhere forms

We got a love like electric sands

We got a love that ain't got no shame

E w/rhythm. fig.2 twice

We kiss all over the lip like pain

We kiss all over the lips like pain

[Solo] A G A G A G E E

Chorus twice

I said Oh its bigger than the universe

Bigger than the universe

Bigger than the two of us

Oh its bigger than you and me

We got a love between us and its like electricity

Repeat twice instrumentally
