

Suel - Nada Supera a Gente

tom: E

A gente não precisa entender
 O que tá rolando é o amor chegando
 Tem gente que precisa ver pra crer
 Eu só tô sentindo e já tô gostando

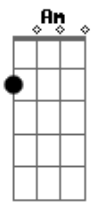

Com você minha vida anda pra frente
 Eu me sinto forte e resistente
 Encaramos qualquer dor
 Basta esse sorriso e nada mais

Am
 Pra toda guerra virar paz

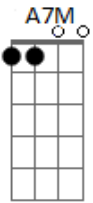

E
 Nosso amor foi feito pra durar
E
 Deus uniu pra ninguém separar
Gbm7 **E**
 Nada supera a gente
Am **B**
 Nada supera a gente

E
 É tão forte nossa ligação
E
 Dois unidos num só coração
Gbm7 **E**
 Nada supera a gente
Am **B**
 Nada supera a gente
