

Suellen Lima - Trough Many Ways

tom:

Intro: **D G D G D**

I walked through many ways
 Shattered dreams all of my days
 The heavy cross was on my shoulder
 Made me feel so tired and sad
 Lingering tears and endless fountain
 On my face go rolling down
 Only you my dear Jesus
 Would take my hand and guide me now

If you don't leave your holy spirit
 I am safe, I have no fear
 Even when all things go stray
 You lord Jesus here will stay

And when the time is come
 In that land I wanna be, I wanna be
 Far beyond this earth and sun

Jesus? face, then, I will see

If you don't leave your holy spirit
 I am safe, I have no fear
 Even when all things go stray
 You lord Jesus here will stay

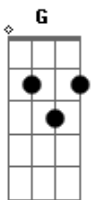

[Solo] **G D E B**

If you don't leave your holy spirit
 I am safe, I have no fear
 Even when all things go stray
 You lord Jesus here will stay

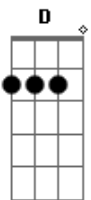

If you don't leave your holy spirit
 I am safe, I have no fear
 Even when all things go stray
 You lord Jesus here will stay

If you don't leave your holy spirit
 I am safe, I have no fear
 You lord Jesus here will stay
