

# Sufjan Stevens - Seven Swans

Tom: C

Tab by Jon Dallas

This is an incredibly creepy song when played and sung correctly. In the recording, is playing a 4 string banjo, so the tuning for guitar is with the high e string tuned down a d.

The up side of playing this on the guitar instead of the banjo is that on the banjo, it very difficult to produce a lot of sound when strumming. With a guitar, however, it is to create a large sound when strumming.

Lyrics:  
We didn't sleep too late.  
There was a fire in the yard.  
All of the tress were in light.  
They had no faces to show.  
I saw a sign in the sky:  
Seven swans, seven swans, seven swans.  
I heard a voice in my mind:  
"I will try, I will try, I will try.  
I will try, I will try, I will try."

We saw the dragon move down.  
My father burned into coal.  
My mother saw it from far.  
She took her purse to the bed.  
I saw a sign in the sky:  
Seven horns, seven horns, seven horns.  
I heard a voice in my mind:  
"I am Lord, I am Lord, I am Lord."

He said: "I am Lord, I am Lord, I am Lord."  
He said: "I am Lord, I am Lord, I am Lord."
