

Sufjan Stevens - Sister

Tom: E First Solo

So I was upset/dissappointed when I got on here to look for the sister tab, and there was none.

tisk tisk.

so here it is.

Albumn: Seven Swans
Tuning: Standard

All Ss. Funny Me.
Intro: These chords are pretty much played through out the entire song, with the exception of the bridge, playing during the solo too.

Play this specific part 2 times

Play 3 solo times

Couldn't get the rest of the solo after that, sorry.

Bridge:

Dada da da da da da da. . .

Solo doesn't kick in until that is played twice.

after bridge
