

# Sufjan Stevens - Sister

Tom: E

First Solo

So I was upset/dissappointed when I got on here to look for the sister tab, and there was none.

tisk tisk.

so here it is.

Play this specific part 2 times

Album: Seven Swans

Play 3 solo times

Tuning: Standard

Couldn't get the rest of the solo after that, sorry.

All Ss. Funny Me.

Intro: These chords are pretty much played through out the entire song,

Bridge:

with the exception of the bridge, playing during the solo too. Dada da da da da da da. . .

Solo doesn't kick in until that is played twice.

after bridge
