

# Sugar Ray - Aim For Me

Tom: E

name: jgscribble

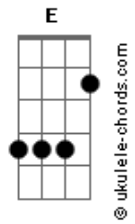

Tabs:                    Aim    for    me

                                 PM                    PM                    PM                    PM                    PM  
                                  /                    \                    /                    \                    /                    \                    /                    \                    /                    \

                                 a bunch of  
                                  times real fast  
                                  \                    /

Solo

## Acordes

This is the order to play it in

Chorus    4X's  
 Verse    2X's  
 Chorus 2 2X's  
 Chorus    4X's  
 Verse    2X's  
 Chorus 2 2X's  
 Chorus    4X's  
 Solo  
 Chorus 2 2X's  
 Chorus    5X's  
 End

This was my first tab, so don't get all pissed off if it's wrong, it's a real fun song to play, so pull out yer get-tar and have fun!
